Customer Reviews

This is a helpful cookbook on Insulin Resistance Diet. All of the things, tips and recipes that I need to know about Insulin Resistance Diet are already included and well written inside. Craig Miller has done a good job in compiling and creating this cookbook. Also the unique part of this book is the compilations of the over 100 Amazing Recipes. Very healthy, delicious and easy to prepare. This book is really a great resource for those who want to learn more about Insulin Resistance Diet. The book is worth reading! I highly recommend this book to all.

I am looking for this kind of book ever since and this is a great book to have. Never had this thorough explanation of insulin resistance before. Chapter 2 is a complete guide and explanation. Chapter 3 a set of health evaluation. I am going to show this to my mother and father. They must be aware of this and prevent it. Kudos!

A essential guide for diabetic person.. I discovered a lot helpful and useful info. This book will help my aunt who is diabetic. This is not only for loosing weight, but also to prevent diabetes and to optimize the body with 100 delicious and healthy recipes! The author provides the great tools not only to beat the condition, but potentially save the life of someone who has this kind of condition!

Diabetes is a very serious condition and more complicated case, that's why everyone wanted to be free of this ailment. Insights given in this book really makes you aware of your unhealthy lifestyle, choices of foods and bad habits. Take note of the insulin resistance symptoms and should be taken as a warning to avoid this disease. The recipes are all great and surely makes you more healthier.

I found this book to be very comprehensive and easy to read. After reading the reviews I tried this book. It is so simple and to the point about what I need to do. It clearly explains insulin resistance and its consequences and gives a simple strategy to overcome it. Overall, this book helped me a lot. Thanks to the author of this book.

This Insulin resistance Diet book is really useful. This book helps to be able to recognize the signs and symptoms of insulin resistance . You will learn to understand the connections between insulin resistance and diabetes. This book contains proven steps and strategies that will help you to beat insulin resistance .A great guide. Recommended...!

Good information for someone with insulin resistance or newly diagnosed. I found this book to be very comprehensive and easy to read. It really makes you understand what insulin resistance and metabolic balance is. It clearly explains insulin resistance and its consequences and gives a simple strategy to overcome it.

This is a very useful book for those who have a problem with insulin. The recipes in this book are great for my father, because of whom I've picked this book. Also, this book gives you a lot of useful information. If you want to keep insulin diet, or just lose weight using healthy diet, then this is a must-have book!
