## Customer Reviews

Melissa Conroy grew up in the South Carolina Lowcountry, and every summer she returns with sketchbook in hand. She has MAs from the University of Georgia and Philadelphia University, in painting and textile design, and a BFA in painting from the Rhode Island School of Design. Currently she lives in Philadelphia with her husband, daughter, and son. She is a part-time faculty member in the Textile Design Department at Philadelphia University. Absolutely love this book - totally captures the deep south in a fun way & great fun even for adults to tinker with.

We live in the low country and fun to see sites we know. Huge Pat Conroy fan so wanted to see if his daughter has some of his talent and love of the low country.

Very close lines. Only for good eyes. Love the pics & text. Had to give away, couldn't see it.

Combination of truth and art done so well. The way the book depicts coastal South Carolina is warm and true. It's a history lesson too. At the same time the drawings are wonderful. Soulful coloring-far better than Prozac!

Excellent detail in the Low Country site. Melissa is as charming and brilliant as her icon father, Pat Conroy. His legacy continues in Beaufort, SC

but not to take away from book quality itself, came bent in the box...not good for a gift now. :(

Images too smal and complicated

True to the area where we live.
