Customer Reviews

I'm commending the author for taking and sharing his thoughts and essential wisdom to readers. It was different, and something that can be really understood if you put your heart to it. In each story there are hyperlinks wherein you can click it for biblical phrases. I'm taking parables one by one each day, taking it into my body like a food that I know can put up some good nutrition to it especially to my mind and soul. I love this resource and it's well written.

I don't understand the symbolism or what they are trying to depict. Some of them I found difficult to 'read between the lines.'

Very good read. Exciting, captures your imagination, keep the reader interested. Great Book for people of any culture. Very, Very Good!
