Harry Potter Et La Chambre Des Secrets (La Série De Livres Harry Potter T. 2) (French Edition)

Synopsis

Une rentrée fracassante en voiture volante, une étrange malédiction qui s'abat sur les élèves, cette deuxième année à l'école des sorciers ne annonce pas de tout repos! Entre les cours de potions magiques, les matches de Quidditch et les combats de mauvais sorts, Harry et ses amis Ron et Hermione trouveront-ils le temps de percer le mystère de la Chambre des Secrets? Le deuxième volume des aventures de Harry Potter : un livre magique pour sorciers confirmés.

Customer Reviews

I am learning French for my coursework and I bought all of the Harry Potter books and some others in order to practice my pronunciation and elocution. Just from flipping through the pages, I know that understanding these books will be both challenging and rewarding. I look forward to quoting some epic Harry Potter lines in French!

Purchased this Livre Audio (French language audio book) as a gift for a Harry Potter fan taking HS French 3. The recordings are high quality with a native French speaker, so it makes following the familiar story easy. Because the story is familiar, you can perfect your ear and accent. If the mp3's

are loaded onto an ipod, you can adjust the speed of the speech to make it easier to understand.

My 17 year-old daughter was never interested in reading Harry Potter until she needed French reading material for her French immersion program. Now she LOVES the books - IN FRENCH!!

I'm an intermediate French student and so far this book has helped me learn considerably, however it is not for beginners or even newly-intermediate French learners. The vocabulary will be foreign to you, since most French classes won't teach you that "Une baguette magique" means a wand. If you purchase it, make sure you have a copy of the English version (or whichever version is your native language) to read alongside. It will further your understanding. I definitely enjoy being able to read and understand this book in French, though.

If you were hoping that the confluence of your familiarity w/ the text and your French abilities would make your experience of listening both enjoyable and beneficial, well, no.

I got this to help improve my listening skills. Be warned, the narrator speaks in VERY fast French. I could only follow it because I know the story pretty well--that was the point. Overall, a pretty good narration, though the guy makes half the characters have lisps. A bit off-putting. Bonne lecture! (Ou Æcoute?)

It brought the book and I recibe a German grammar book. I'm so angry with this.

The Harry Potter series has enchanted me for years. I decided to read the Harry Potter books in French to revitalize my somewhat rusty French. I was delighted to see that the translator did an excellent job of translating the story, and I was especially happy that he kept JK Rowling's spirit of imaginative fun in his translation of names of places, people and things in the magical world. Kudos to Jean-Francois Menard for a superb job!
