Cowgirls In Heaven

Synopsis

In a follow-up to one of David Stoecklein's most popular coffee-table books, he features the working cowgirls of the West in all their glory. Stoecklein's photographs capture the beauty of these women as well as their grit, whether they are roping, riding, or just relaxing. These cowgirls all have a true zest for life and it shows in these portraits. They work hard and they also know how to have a good time. Stoecklein has provided his readers with another glimpse into the rich lives of cowgirls across the West.

Customer Reviews

In a follow-up to one of David Stoecklein's most popular coffee-table books, he features the working cowgirls of the West in all their glory. Stoecklein's photographs capture the beauty of these women as well as their grit, whether they are roping, riding, or just relaxing. These cowgirls all have a true zest for life and it shows in these portraits. They work hard and they also know how to have a good time. Stoecklein has provided his readers with another glimpse into the rich lives of cowgirls across the West. The powerful presence and confidence of each woman shines through in the pages of this wonderful volume.

David R. Stoecklein has worked closely with ranchers and cowboys from every Western state.

These friends have shared their generations-old culture to help David document the West on film.

Through his work, he has gained a deep understanding of and respect for cowboys and cowgirls.

His quest to keep the spirit of the West alive is heartfelt and uncompromising. David spends every free moment photographing cowboys, cowgirls, and all elements of their lives, preserving their heritage and traditions. David resides in Idaho with his wife, Mary, and their three sons.

I bought this to place under some boots I put on a book shelf. I needed to raise the boots and continue the cowgirl theme. It sort of worked, but the book is too thin to raise the boots as high as I needed them to be. I love the cover and the title and the price was right.

We love David Stoecklein photiographs, and we wikll eventually have all of his published photo books.

I liked a lot of this book, in fact most of it...but can we please have one picture book about women by a male photographer which does not involve some of the ladies getting naked? It's not that the photographs actually show anything extremely "private" but there is no question the women are naked. The book is about cowgirls, and the fact that they bathe is not distinct to cowgirls...so why was it included? Gosh, I wonder. Also wondered if naked cowboys would have been included in a book about cowboys....by the same author. Umm...dare say, no. Loved this photographer's horse photos and didn't realize until recently that we have two of his framed prints in our home (which are now not so meaningful). Bottom booty line....the book would have been excellent if the publisher/author would have realized that most of the stories and women portrayed are strong enough to stand on their own without selling sex along with it. To the guys involved: the real live women in this world and many men are more than a little tired of this very old exploitation story. Some nakedness is art (think, The Three Graces) some just isn't....This was written by an open minded cowgirl who appreciated the integrity of, and enjoyed reading the stories of most of the women portrayed in the book. A big "hats off" to those of you who kept your clothes on...in the true Cowgirl spirit.

Very nice book with beautiful pictures and short stories about women riders. Buy with confidence. Excellent quality book. You will enjoy the pictures.

I saw the book at a gift store originally, and was able to read through it. Although the title raised my wife's eyebrows, and since she's not a horse person, I wasn't allowed to buy it. At that time I realized it was a book made for women. Later on, I bought it as a gift for a friend who I knew was an avid

horsewoman. She loved it.

Stoecklin brings to warmth and classical style to Western Photography . While the specific photo for which I bought the book does not appear, I'm still delighted with the rest of the collection. Great stuff.

This book is stunning. The ladies profiled are just drop dead American beautiful. Cowgirls like this don't exist in New Jersey-or maybe I haven't found one yet. The outfits with the chaps are so pretty. The photography is spot on. Great detail and vision. These ladies are a fantasy for me. I can't say enough how wholesome and sexy these women are. I highly recommend it!

David Stoecklein has captured the today cowgirl as she is - in heaven. Cowgirls love their lifestyle and it shows in this book. Not just a coffee table book -- a must have in your living room or bunkhouse.
