Fireman's Safety Hints

Synopsis

This delightfully illustrated board book opens up to show the interior of the house where this happy family lives. As kids turn the sturdy board pages, they discover household safety hazards and learn to avoid them. They learn to protect themselves in extreme cases, for instance, if their home ever catches fire, or if there is a gas explosion. This book emphasizes the importance of establishing escape routines, but keeps instruction light-hearted, in the spirit of the "little Fireman" depicted in the story. Kids learn to avoid burns at the kitchen stove, and discover that playing with matches is dangerous and must be avoided. They discover poison labels on household cleaning agents and learn to keep away from them. These and many other safety tips are presented to kids in ways they can easily understand. Parents and older children will also find first-aid advice and special tips for dealing with emergencies. (Ages 3-7)

Book Information

Age Range: 2 and up

Board book: 10 pages

Publisher: Barron's Educational Series; Brdbk edition (May 1, 2004)

Language: English

ISBN-10: 0764157574

ISBN-13: 978-0764157578

Product Dimensions: 12 x 6.8 x 1.4 inches

Shipping Weight: 10.1 ounces

Average Customer Review: 2.5 out of 5 stars 2 customer reviews

Customer Reviews

This is a cute book, however, in this day and age to constantly apply a specific gender to an occupation is frustrating, especially when you have a daughter who loves firetrucks.

Kelly needs it , have a good experience. this price is valuable. so fast, receive it next day , Unbelievable quality for the price.
