Customer Reviews

I purchased this for my office and really love it, all the pictures of the roses are beautiful. I love roses and have several planted around my house and seeing them everyday especially in the winter months brightens my day.

Excellent quality with plenty of room for notes on daily blocks.

I LOVE roses.

Love it.

For the past 16 years, I have bought my best friend, a Rose calendar. The Rose, her favorite flower. This year she reported that this was the best Rose calendar of all.

Lovely

I tried to order the Cystic Fibrosis Yearly Rose calendar. It was not the correct one. No big deal now.

The Rose calenders are always so beautiful.
