All Saints: The Surprising True Story Of How Refugees From Burma Brought Life To A Dying Church

Synopsis

The True Story Behind the Powerful Film ALL SAINTS Newly ordained, Michael Spurlock's first assignment is to pastor All Saints, a struggling church with twenty-five devoted members and a mortgage well beyond its means. The best option may be to close the church rather than watch it wither any further. But when All Saints hesitantly risks welcoming a community of Karen refugees from Burma--former farmers scrambling for a fresh start in America--Michael feels they may be called to an improbable new mission. Michael must choose between closing the church and selling the property--or listening to a still, small voice challenging the people of All Saints to risk it all and provide much-needed hope to their new community. Together, they risk everything to plant seeds for a future that might just save them all. Discover the true story that inspired the film while also diving deeper into the background of the Karen people, the church, and how a community of believers rally to reach out to those in need, yet receive far more than they dared imagine. The Reverend Michael Spurlock served All Saints Episcopal Church in Smyrna, Tennessee, for three years. He is currently on the clergy staff at Saint Thomas Church Fifth Avenue in New York City. Michael, his wife, Aimee, and their two children live in New York City. Award-winning author and investigative journalist Jeanette Windle has lived in six countries, authored nineteen books, and mentors writers on five continents. Reverend Michael Spurlock was the pastor of All Saints Episcopal Church in Smyrna, Georgia -- a church with dwindling attendance. The church was in danger of closing down, but God had other plans. It was 2007, and a group of over 70 refugees had arrived in Smyrna from Myanmar. Some of these refugees showed up at Spurlock's church, asking if they could plant crops on the church property. The refugees farmed the land, which helped with the church's funds, meanwhile becoming part of All Saints Episcopal Church. In return, the church was able to financially and emotionally aid the refugees, helping them adjust to life in America and begin to thrive. Spurlock chronicles his story in the book *All Saints: The Surprising True Story of How Refugees from Burma Brought Life to a Dying Church*. It is a powerful and inspiring story. It shows the amazing things that people can do for one another, and it shows how God can create something beautiful even out of the most dismal situations. Life is full of struggles, and we often do not know what lies in the path ahead. But sometimes the greatest setback is merely a

precursor to something wonderful, and we would be surprised at the great things that God has in store for us.*I received this book for review*
