Their Wayward Bride: Bridgewater Menage Series, Book 2

Synopsis

If you love the Wild West, you'll love this steamy hot historical set in the Montana Territory! When Laurel Sinclair's uncaring father seeks to pawn her off in marriage as part of a business deal, she seeks to avoid her fate by fleeing. But running away in a Montana blizzard proves to be a terrible mistake. When handsome ranchers Mason and Brody find the stranded redhead next to her injured horse, they take her in and immediately decide to make her theirs, convinced they can convert the beautiful stranger to an unusual arrangement of marrying them both. The Bridgewater way of one woman marrying two husbands is foreign to Laurel, but she soon grows to love the two protective men who awaken her to a world of carnal pleasures she never knew existed. She grows to love them for their guidance and protection. But will her happiness be threatened by the secret she harbors? Will Mason and Brody still love her if they discover who she is? And what will happen when her scheming father and the cruel man he wanted her to marry finally track her down? The Wayward Bride continues the best-selling Bridgewater Menage Series by top western erotica author Vanessa Vale. This is a standalone title. If you like Lexi Blake's Virgin series, you'll love Bridgewater!

Best Sellers Rank: #137 in Books > Audible Audiobooks > Fiction & Literature > Erotica #4001 in Books > Literature & Fiction > Erotica #44473 in Books > Romance

Customer Reviews

When Laurel attempts to escape her father and his plans, little does she know just how drastically her life is about to change. Instead of the arranged marriage, Laurel finds herself rescued by two hot cowboys who immediately recognize her as the woman they have been searching for to be their wife. This is the second novel in Vanessa Vale's historical menage series. If that's not your thing

you shouldn't buy this book as it is very explicit. But if it is, you are sure to enjoy this series. Each book can be read on its own but is better read in order.

Wow is all I can say love the ménage the way Vanessa Vale writes drags you back in time. But she really gives each character a strong foundation and personality. Not a one dimensional book even though the series does revolve around ; a main theme of ménage and polygamy. You really do feel the love between the characters.

I have not read any other books in this series and found this a very enjoyable book but I would never classify Laurel as a wayward bride (probably more of a runaway). I did feel that Mason and Brody rushed the physical relationship (they did find her half frozen and almost incoherent in a snowstorm). Brody and Mason did so much to ease all of Laurel's fears about their way of life and to show that they really care for her. I will definitely be reading more books from this series and this author in general.

With that being said, I have one niggle that keeps me from hanging: why do they punish her before they have told her the rules? She was new to this lifestyle. And fairly acceptive of it, all things considered. I would think that the men would first educate her on the rules and punishments BEFORE one was invoked. I know this is fictional, but keeping it to real life as possible Anyway, the rest of the story is amazing and satisfying. HEA,,,,,oh, yes, please!

When Mason and Brody rescue Laurel, she doesn't know who to trust. Laurel wants to keep her secrets and keep running, and danger lurks close by. This is a short, unconventional love story that will make you want to read the other books in this series.

i recently finished the bridgewater series. it is an awesome, fantastic series. all of the books have spanking and sexy men who love their brides. wonderful author.. can wait for the next series.

I started this series with the first book being a special from . I love this authors writing style and the way that it sucked you in. Sensual and enduring that two men cherish the woman that they love.

This is the second story for the Bridgewater series. It is a great addition. I am still enthralled with this small community that is being formed. The caring and support both within each family unit and the

rest of the ranch is inspiring. Yes, the stories are also hot enough to burn.
