Book by Jesus Garcia

I am studying for a CLEP US History I test and have read several texts related to US History.

Although this was written for middle school, it is by far the best of all I have read (Including America's Promise and other college texts). It attempts to be unbiased and uses quotes from diaries, etc. to interest the reader. It was in great condition when I received it from this seller. Thanks!

We bought this book for my daughter to prepare for 7th grade over the coming summer. It is as expected.

I received the teachers copy and have to send it back! Inconvenient for me!

received promptly in description described.

Not what I thought it would be, badly written, very badly packaged, cheap, and damaged. Not worth it. At all. :/

Great book, love all the pictures. We are using this with homeschooling.

I like the projector.

Its a nice book but it wa writing inside of it
