The Algerine Captive: Or, The Life And Adventures Of Doctor Updike Underhill (Modern Library Classics)

Synopsis

A predecessor of both the nativist humor of Mark Twain and the exotic adventure stories of Washington Irving, Herman Melville, and Richard Dana, Royall Tyler's *The Algerine Captive* is an entertaining romp through eighteenth-century society, a satiric look at a variety of American types, from the backwoods schoolmaster to the southern gentleman, and a serious exposé of the horrors of the slave trade. "In stylistic purity and the clarity with which Tyler investigates and dramatizes American manners," the critic Jack B. Moore has noted, *The Algerine Captive* "stands alone in our earliest fiction." It is also one of the first attempts by an American novelist to depict the Islamic world, and lays bare a culture clash and diplomatic quagmire not unlike the one that obtains between the United States and Muslim nations today.

Book Information

Series: Modern Library Classics

Paperback: 304 pages

Publisher: Modern Library; 2002 Modern Library Pbk. Ed edition (July 9, 2002)

Language: English

Customer Reviews

"American literature cannot be charged with poverty while it has such valuables [as Royall Tyler] uninvested in its forgotten repositories." —Evert A. Duyckinck

A predecessor of both the nativist humor of Mark Twain and the exotic adventure stories of Washington Irving, Herman Melville, and Richard Dana, Royall Tyler's *"The Algerine Captive* is an entertaining romp through eighteenth-century society, a satiric look at a variety of American types, from the backwoods schoolmaster to the southern gentleman, and a serious expose of the horrors of the slave trade. "In stylistic purity and the clarity with which Tyler investigates and dramatizes

American manners," the critic Jack B. Moore has noted, "The Algerine Captive "stands alone in our earliest fiction." It is also one of the first attempts by an American novelist to depict the Islamic world, and lays bare a culture clash and diplomatic quagmire not unlike the one that obtains between the United States and Muslim nations today.

Crazy book. To think we were at war with radical Islamic extremists in the 1790s...

I found the book fascinating. I gave it only four stars because it was written ages ago and the style might not be everyone's "cup of tea." You will learn some things about Muslim slave trade, that's for sure.

The book came in great condition and in good time. The book looked even better than it would if I had bought it straight from the bookstore.
