A Flight Of Golden Wings

Synopsis

September, 1938. Britain is at war and Ruth Aspinall, a gifted pilot, is determined to join the Air Transport Auxiliary, an organisation of civilian pilots who ferry aircraft to wherever they're needed. Meanwhile over in America, siblings Jack and Lucy Nelson, both experienced pilots themselves, are keen to join too. After a perilous journey by sea, Jack is soon having his first experience of the London Blitz before being posted to White Waltham, where he quite literally bumps into Ruth and romance soon blossoms. On D-Day, Jack is sent to France to deliver a Spitfire, but he is declared missing in action after his plane fails to arrive. Heartbroken, Ruth must accept that the love of her life may never return . . .

Customer Reviews

i enjoyed this book, really easy reading, simple story line...true to the timeline of WWII....intermingled with events that actually happened to many during the war. not a new story, but she managed to give it a happy ending.

This is a book that is not to be put down. I need to commend Ruth, one of the best characters, for her love and patience with Jack, another great character, while he organized his life in England. His sister was a fantastic character, as was Simon, who was an interesting lead character. Enjoy!

Enjoyed meeting the ladies and gentlemen of the ATA . Following their heartfelt adventures during the beginning of the war in England until the end of the ATA.

Enjoyable light reading.

Beryl Matthew's is a natural writer and tells the story the way it is so her tales are full of laughter, fun, happiness, sadness and nostalgia and I never want them to End!

Good Story and I think well written.

I have read just about every book published on the ATA. So whether that coloured my view of it, I'm not sure. It WAS a very apt description of the day to day lives of the women ATA ferry pilots. It just lacked a bit of something. Not sure what. But still a pleasant read on those times. Thx j's.

love the story
