Mosby's Essentials For Nursing Assistants - E-Book

Synopsis

Ideal for shorter, more focused courses, this concise text provides coverage of the concepts and skills that are essential for becoming a nursing assistant. It clearly and logically presents the responsibilities of the nursing assistant in a readable, highly visual format that appeals to learners of all levels.- Focus On the Pride boxes emphasize Personal and professional responsibility, Rights and respect, Independence and social interaction, Delegation and teamwork, and Ethics and Laws providing a convenient overview of key elements of the nursing assistant's responsibilities in providing competent patient care, and reminds readers that this caregiver role is one they can take pride in performing.- Focus on Communication boxes includes guidelines for how to communicate most clearly to residents/patients and how to avoid making them feel uncomfortable emphasizing the importance of good communication while providing practical tips.- Key Abbreviations are now listed at the beginning of each chapter to help familiarize readers with commonly used abbreviations.- Includes three new chapters on Preventing Falls; Safely Handling, Moving, and Transferring the Person; and Mental Health Problems.

Customer Reviews

I would never buy anything from the seller ayvax. I paid for text book and work book and only got the text book i had to buy the work book again . The book is really good and alot of needed info.happy with the book not the seller.

I had no problem reading it from my iPad/iphone. I used it during my CNA course and passed!

Was needed for class. The explanations and layout are top notch.

This book is great and user friendly for persons entering the field as a nursing assistant. The key to using this book is reading everything and understanding what you have read.

I am finding it so mush interesting and is well written with a lot of explanation, organized in a way that you can remember easier what you read.For CNA preparation i think is wonderful to get the best preparation for the exam. Thanks!

Great buy! I bought this book for a CNA class at my college. Same book for half the price of the school bookstore.

This book is easy reading and understandable. The colored pictures and detailed. A lot of information for Certified Nursing Assistance or to jump start a career in Nursing to be ahead of the game. Or, if you are just interested in the human body. Head first and enjoy

Did not even come with the textbook, it was only the workbook.
