Customer Reviews

Road tested one of the hikes in this book and it was right on the money. (borrowed from local Library) Was good enough to want my own copy. PS I live in Baltimore County and plan to use this book often.

This is a really good local Baltimore reference book. We have already found 3 hikes that we did not know about- all really nice. The information in the book on the 3 hikes we did was very accurate. I would recommend this book to locals. I found the book at a local sports shop but I am glad to see you can find it on because I wanted to give it as a gift.
