Practice Of English Language Teaching (with DVD) (5th Edition) (Longman Handbooks For Language Teaching)

Synopsis

The highly acclaimed Practice of English Language Teaching is the essential guide for teachers of English in a wide range of contexts. The fifth edition has been revised to reflect new developments in language teaching. It explains current pedagogy to teachers who want to access the most relevant ELT practices and incorporate them into their lessons.

Customer Reviews

My book came in a great condition, brand new. It was wrapped in it's original film wrap and placed in one of those thick yellow envelop. The book is really helpful if you read through most of it, which is what I had to do for my TESOL program. It provides lots of examples and ideas of how to approach certain teaching methods or classroom problems/management. All in all, you will not regret buying this book and learning how to teach the English language.

The DVD that does not work at all, though the book is good. I bought this for an online class with weekly deadlines, and now I am unable to do the DVD portion of the work. And because I bought this book online, I have no way to turn it around before my grade drops for not doing that part of the work. I'm not happy at all with the lack of quality of the DVD. I use a Mac and this DVD should work in it, as my other DVDs do.

Excellent book. I've been teaching English for a couple of years and went through this cover to

cover over the summer break. Great reflection and lots of points of action to take into the new teaching year as well as recommendations for further reading.

The knife was in a sealed box, but the sides of the knife were scratched.

for the price the binding is awful

A good resource/text book for teaching English to speakers of other languages. It contains useful information (methods, strategies, techniques) for English language teachers or would-be teachers.

Great time delivery!The books is awesome for those who want to improve their language teaching methods.

It is the most recent edition, and it came as described by the seller.
