The Right To Die (At Issue)

Synopsis

These books provide a range of opinions on a social issue; each volume focuses on a specific issue and offers a variety of perspectives, e.g., eyewitness accounts, governmental views, scientific analysis, newspaper accounts, to illuminate the issue.; This title addresses the issue of the right to die. The ethics of physician-assisted suicide and the Death with Dignity movement are discussed, along with further implications of these issues, such as legal euthanasia and suicide assistance for healthy people; Greenhaven Press's At Issue series provides a wide range of opinions on individual social issues. Enhancing critical thinking skills, each At Issue volume is an excellent research tool to help readers understand current social issues and prepare reports.
