## Customer Reviews

The map did not include the area near my hotel, only three miles from city center. Also, the map does not cover the area where the outdoor Ukrainian heritage museum exists. The map did not provide dual language. I had difficulty finding locations. Also, I learned that botanical parks in Ukraine are not the locations of abundant flowers to which I am accustomed in the West. The public toilet in one park had one of the low toilets that I had never seen before in my travels.

If I read Ukrainian or Russian it would have been much more helpful!

Good Map. Do you have a Odessa, Ukraine map also?

Great memories

Using map for walking tour, it could be done in greater detail it's but barely acceptable so I am disappointed
