# The Angels Trilogy

## Synopsis

Leah is not happy about being stuck in the hospital for the holidays while her mother is thousands of miles away on a honeymoon with husband number five. Until she meets her hospital roommate, Rebekah, and her big family. Cynical 16-year-old Leah has never known people like this before. From Rebekah's handsome brother, Ethan, who can barely look Leah in the eye, to her kind older sister, Charity, the Amish family captivates Leah with its simple, loving ways. When Leah receives frightening information about her condition, her new friends show her that miracles can happen. And that sometimes angels appear in the most unexpected places. From the Paperback edition.

## Customer Reviews

I read this book many years ago and loved it. I purchased it again for my niece to have. Edit: My niece also loved it and is currently rereading it!

Perfect!

All her books are tear jerking but they are good there are three of her novels in this one book.

Love this book. She 's one of my favorite authors. I can read her books all day every day. Can't wait to read another.

I chose this book bc I have read a lot of Lurlene Mcdaniels books n have loved them so I figured I'd like this one to n I did. I gave it this rating bc it is a great book. I love tht u get to learn about so many Amish ways. I hate tht Ethan leaves at the end. I think they could have been very happy together. I really think his dad should have gotten over it n let them b happy. But at the same time I understand its their way. Still they made an amazing couple n it sucks tht they couldn't stay together.

I ordered this book, because I love it, for the price, I couldn't say no! It's an amazing story about love, hardships and family.

Love this book I can read it over and over again . I've read this book so many times I can't get enough .

I truly enjoyed the book, as I have enjoyed others by Lurlene McDaniel. She puts to paper the feelings that I myself have felt in such a way that I am feeling them again!
