Don Miguel Ruiz was born into a family of healers, and raised in rural Mexico by a curandera (healer) mother and a nagual (shaman) grandfather. The family anticipated that Miguel would embrace their centuries-old legacy of healing and teaching, and carry forward the esoteric Toltec knowledge. Instead, distracted by modern life, Miguel chose to attend medical school and become a surgeon. A near-death experience changed his life. Late one night in the early 1970s, he awoke suddenly, having fallen asleep at the wheel of his car. At that instant the car careened into a wall of concrete. Don Miguel remembers that he was not in his physical body as he watched himself pull his two friends to safety. Stunned by this experience, he began an intensive practice of self-inquiry. He devoted himself to the mastery of the ancient ancestral wisdom,

studying earnestly with his mother, and completing an apprenticeship with a powerful shaman in the Mexican desert. His grandfather, who had since passed on, continued to teachÂ him in his dreams.Â Â In the tradition of the Toltec, aÂ nagualÂ guides an individual to personal freedom. Don Miguel Ruiz, aÂ nagualÂ from the Eagle Knight lineage, has dedicated his life to sharing the wisdom of the ancient Toltec.

A beautifully written book. The author creates a picture of you embraced by God, whose spirit is pure love. When you are connected to God, forever, and your commitment is to God, you begin to love as God loves, unconditional....you are in love with your Creator....you are not overcome with problems, as this love brings a peace that "passes all understanding".

I quote: "Can you handle God? Can you handle all that love? Imagine yourself on the top of a mountain, merging with God, with all that beauty, with all that love. WouldnÃ¢Â™t you like to keep that love for the rest of your life? WouldnÃ¢Â™t you like to live like that always? You were created to react emotionally to the beauty of creation. You were created to live in bliss and harmony with the entire creation"

It was very inspirational and uplifting. When I needed a special prayer for a situation in my life I opened the book randomly and the prayer that was on the page was exactly what I needed. Would recommend to all as a good read to have around.

Love this book.

MUST- HAVE for anyone who wishes to connect with the God of Love. I value Don Miguel Ruiz's simple, loving grasp on universal spirituality. This book is a great bridge-builder and would be a sweet gift for persons of all positive faiths. It is a wonderful vehicle to bring you to the place of love - for self and for others.

I love this book. I think the introduction says it all. To pray is an act of power because it is an agreement between the human and the Divine and we invest our faith in that agreement. This book showed me another way to talk to God.

This was a tremendous help for me. I was experiencing a huge life change and was going through a

lot. The prayers are wonderful. The explanations to the prayers guide you to a better understanding of what your reading and how to take it all in. Thanks Don ã      this was a truly amazing read.

I already have my own copy, autographed by don Miguel Ruiz, my personal mentor. This copy is for a student of mine. Thank you.
