canoe routes in northwest Oregon

Love this book! I lost the copy I had had for several years, so I was excited to find it's still available. I have a few books on canoeing and kayaking around the northwest, but this is the only one I've ever found that breaks down and describes sections of the rivers (particularly the Willamette). I'm a happy camper (and kayaker)!

Covers all the river in the Willamette valley. Have canoed all routes on the Willamette River Well written, good maps
