## Customer Reviews

Lots of good information, little tid bits that are cool to learn! Like the route map too. Very helpful!

We are using this to plan a trip

This is a decent book but the map included is not quite to my liking and is flimsy.

Book had so many great ideas and information. Must buy if your thinking of second thru Central Europe.

Super helpful on our road trip through these regions.

great layout of information. The walking tours were so helpful. Very useful and easy to use book

Great guide with my helpful suggestions..

This book was perfect for my Germany trip! It really helped me plan and visit some great sites I otherwise would have missed. I loved the walking tours of Berlin and Cologne, as well as the road trip along the Moselle River.
