Customer Reviews

She is challenged by it, but there are still some songs that she can pick up quickly. Watch the language in the lyrics for kids, of course.

This book of SHEET MUSIC from Alanis' first album, Jagged Little Pill, offers stirring renditions of the fabulous songs included on her CD. Or, they would be stirring if they weren't all so bad. While classic soft-rock songs like "Perfect," "Forgiven," "Mary Jane" and "You Learn" are relatively good, the harder songs like You Oughta Know, Not the Doctor and even Ironie aren't very good copies of Alanis's songs. Sadly, this is the only sheet music to Jagged Little Pill, so even while lacking in some places, I suppose it's better than trying to figure the songs out for yourself.

Wonderful book! It provides correct information for the songs. Great for any musician/singer.
