Guido van Eijck and Saskia Naafs live in Amsterdam and they know everything there is to know about their hometown. They both are journalists and they often work together, for example on articles for the magazine De Groene Amsterdammer. Saskia also writes about city life and travel for the Amsterdam newspaper Het Parool; Guido writes for a.o. de Volkskrant and co-edited a travel guide about communist heritage in Eastern Europe.

I have visited Amsterdam many times (at least ten visits) and know quite a bit about the City, have local friends, and get around quite a bit. But this book delivers! I learned about so many places I have never seen or heard of, and I can't wait for my next visit to check so many of the new out. I also travel to London a lot, so I bought the London version---equally delightful! Highly recommend.
