## Customer Reviews

These are nice WORD strips but when I ordered them I read "sentence" strips in the title and thought I was getting the long sentence strips, which is what I wanted. I will keep them. They are good quality but they will indeed only fit a WORD. It was my fault that I didn't pay attention to the dimensions but they really should take the words sentence strip out of their title.

These word strips are excellent! The colors are bright and cheerful without making it hard to read what is written on them. I like that one side has the center dotted writing line and the other has just a bottom line. I opted for these instead of cutting down the longer sentence strips for my daughter's word wall. I prefer the uniform look. They are the perfect size to fit most words and a 2"x2" picture.

I use these for my word wall in my classroom and they work well. I color code for grade level, and

also to categorize words. They are a much better price on than my local teacher supply and since I buy most of my classroom supplies, price is a factor. I stocked up during the promo price offer, but I know I will be back for more.

The lines on these are very different from the ones you buy at a brick and mortar. Some of the cards were printed very dark, others were very light and children have a hard time seeing them when they write their word wall words on them. The colors of the cards are bright and are great.

Love these strips. The colors are vibrant and call the students attention in my classroom. Very durable high quality product. Great!

I bought this for my classroom. It's no different than what you find in the teacher's store. I used this to create vocabulary cards for my word wall. I use a pocket chart to hold the cards. The colors are vibrant and added the appeal I needed for my word wall.

I was hoping to use these for my word wall. However, they are not sticky enough to star on the wall without additional adhesive.

Excellent for word wall, colors are bright and cards are sturdy enough for students to manipulate on a daily basis.
