Jim Erskine is a homeschooling dad, author, cartoonist and game designer from Kentucky. He has published over 30 humor books, children's story books, and homeschool resources so far, and refuses to stop.

Such a fun coloring book! I shared pages with other homeschooling leaders at an event by tearing out pages. We all greatly enjoyed the encouragement that it gave!

Love this book. Only complaint is that the pages should be perforated, or the paper should be

thicker so markers can be used with the pages in the book without the risk of bleed-through onto the next page. Perforation would be preferred though.
