I listen to this at night while I am sleeping. I turn the volume down low and put it in a CD player and let it play through the night or put on headsets. I press the repeat button so it can play continuously. The voice is very soothing and the background music is great. Your body sleeps at night, but your spirit is always awake! My spirit gets fed the medicine I need without any side effects!

These Healing Scripture CD is an excellent source of encouragement for people who are standing in agreement with the Word of God for their healing. I have sent several of these to individuals who were too sick to read the bible, so they could just listen to the Word and build up their faith.

This was a gift for a person who was terminally ill. The person died about two weeks later but this was a great tool for reminding them of God's promises. They may not have gotten healed physically but SPIRITUALLY they received their healing.

It's everything I hoped it would be: uplifting, inspirational, faith-building and inclusive of many of the

most famous healing scriptures. No distracting music, just the word of God! I feel better already!

I love it ! I play it almost every day! it is very peaceful! Thank you !! Thank You! no dislikes

I use these at night while I sleep as a way of getting God's Word in my heart. I love it! Thanks.

The CD is perfect to put in at time of the day or play when going to bed and allow your spirit to be fed while sleeping.

Help you memorize key healing passages in the Bible.
