# The Other Side: The Yang To The Yin Of Gender Transition

## Synopsis

This book is a biographical account of gender transitioning. I wrote this novella about the hardship I've faced during the first 14 months I've been transitioning from male to female as a counter to the happy works out there on transgender topics. You will read how I lose my wife, job, and family over a span of 14 months as I dealt with deciding if I was going to ever rise up and be reborn as my new self. Proceeds from this book will go to fund my surgical needs.
