K-Gr 2â "Charlie is at it again in this installment of the delightful series. In this latest book, Charlie finds himself in a rather unpleasant mess while trying to help his friend Abigail. Although he is calm, cool, and collected, unlike many other cattle dogs, he finds his way into trouble nonetheless. However, Charlie is always happy to help on the farm no matter what the job. On this particular day, the family is headed out to take the cattle to greener pastures. Will Charlie find his way out of trouble in time to make it home for his all-time favorite slice of bacon? Simple sentences and high-interest content help developing readers stay engaged. The language is ideal for helping students sound out words and sentences. VERDICT This beginning reader will be a great addition

to any elementary school library collection.â "Katy Charles, Virgil Elementary School, Cortland, NY

Very cute story. It follows the story of a basset hound who follows a stray calf and saves it by howling for help. It was definitely hard for my kindergartner. I would call this a "Difficult level 1". We bought it with the Aurora World Basset Hound plush as a first day of school gift.

Thank you for having these Charlie books available for our kids. They just love them!

My 8 yr old and 4 yr old enjoy these books very much. Ree Drummond is talented beyond measure. Aside from her cooking career, she is an excellent children's writer. My boys were both deeply saddened by the loss of the real-life Charlie, but, through these books, his legacy lives on.

Great story and good author!

received as expected

Bought 4 for my Grands!

This is a cute little easy reader and my 4 year old enjoys it. I bought it because I like Rea Drummond as a cook. My son enjoys the story of Charlie working on the ranch and loves when he gets stuck in the mud.

My kids love all the books in this series!
