If You Lived At The Time Of The American Revolution

Synopsis

If you lived at the time of the American Revolution--What started the American Revolution?--Did everyone take sides?--Would you have seen a battle? Before 1775, thirteen colonies in America belonged to England. This book tells about the fight to be free and independent.

Customer Reviews

I bought this for my 10-year old son, and while the introductory information is age-appropriate, it reads like a book for a much younger child. The book is also quite brief. What's here is fine, but I wish it were more comprehensive.

On time and looks great!

I ordered this for two purposes. Mainly to add to my son's collection. As a middle scho history teacher I found value in this book and actually uses it for an activity in class. Great job explaining the revolution for kids.

My 5th graders loved this book as a read aloud. It inspired them to read other books about the

American Revolution.

I have many books from the "If you Lived During..." for my students and it seems no matter what grade I teach, they are always very popular books with my kids. They're informative in a kid-friendly way with realistic illustrations. These are great books for unit studies as well. Teacher recommends!

The If You Lived series is great, especially for homeschoolers. Very educational, great illustrations.

The book came with a big bend/crease in it as though it had been stuffed in the mailbox.

If you are wanting to investigate the lives of the revolutionists, this is very helpful for students in third and fourth grade.
