Customer Reviews

I have housebroken 3 previous puppies and when number 4 came I knew there had to be a better way. This book was just what I needed, simple, fast, effective. I highly recommend it.

Good book, good price

Product as described

Tells you everything you need to know to house train your puppy quickly and make your life stress-free worked great for me had my puppy house trained in no time

Not really a good book. It just gave you information you probably already know.

did not help me with my new puppy.

I've been working with my 6 month old shih tzu, every day for 7 weeks. This book gave me nothing new. It is a repeat of many other books. It just a few pages and full of nonsense. "Puppies should not eat their own poop." That's the kind of advice given.

The best book I've read so far....Easy to understand....Thank you...Linda ShinaultNeed more of
