Jefferson Nickel 1968-2009 Collector's Folder (Warman's Collector Coin Folders)

Synopsis

For the collector with a keen eye for detail, the modern design of the Jefferson Nickel (1968-2009) is a canvas rich with history. Not only does the coin's design feature Jefferson's Virginia home, Monticello, it also features intricate changes from the earlier Jefferson Nickel designs. The story of this nickel and its evolving design is featured in this larger-than-average-size coin folder, along with 90 coin slots on three panels. With more slots than any other, this top-quality coin folder is a great gift.

Product Dimensions: 7 x 0.3 x 9.5 inches

Shipping Weight: 6.4 ounces

Average Customer Review: 4.3 out of 5 stars 24 customer reviews

Best Sellers Rank: #1,260,171 in Books (See Top 100 in Books) #83 in Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders

Customer Reviews

I ordered several of these folders at one time and I was not disappointed in the least. Not only do the folders LOOK good but they will not be damaged easily as well. They hold all my coins easily and provide numerous facts about the coins that help the customer learn where and why these specific coins were produced. I would gladly recommend any of the Warman's folders to any sort of collector whether they are just beginning their collection or if they have been collecting for years. It is a solid product that does exactly what it is supposed to do.

Nice looking folders that securely hold your nickels indefinitely. I own many of these folders and I'm enjoy adding my nickels to them as the days go by. I've had no issues inserting or removing coins (even though you should be very careful). I highly recommend these folders as they are the perfect size for a bookshelf and look very nice if you want to display them on coffee or end table.

I purchased three coin collector book and each one has some coin slots that were too large for the coins. I don't get this because I have many coin collector books I purchased in stores and I have never had this problem. Could these books be "seconds" ?

I bought this for my neice to play with. At the party she was engaged for hours (very unusual). All the adults started breaking out their coins to give to her. This same item would cost me 15\$ here in Hawaii. Just push in the coin or the reverse to remove it. Nice variety.

My granddaughters collected all the state quarters and I spent over \$25 each for their books. This is so much nicer and a lot cheaper. I like it has information regarding the coins plus folds over for easy storage. i will be buying more of these in the future.

Quality. Solid. Good product. Fast shipping!

Great item! Bargain price! I would buy from them again.

Purchased this for my brother - he collects and saves quarters. He was extremely happy with this produce and purchased other in the same series.
