Grade Level: Preschool - Kindergarten

Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too.Â Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Didn't realize this was so religious.

Christmas gift for my Grand daughter who's almost 4. She loves these books and they are a huge hit. She also loves the Berenstain bear cartoons. Great for small children and to give them the love of books

Not one of my favorites....we have about 2 dozen Berenstain Bears...this one is somewhat lame.

Teaches the REAL reason for the Christmas season, woven into a sweet narrative.

Since Christmas our two youngest grandsons (close in age) keep busy with toys and all the things kids do. They like to have books read to them and they want this one read to them often. Great kids ... Great book, that keeps their interest reading after reading.

My kids love the flaps and discovering what they found.

Perfect

This is actually a flap-book---I must have missed that in the description. My 4 yr olds love it. Life the flap to see what is inside. Christian-based and perfect!
