It has a really bad odor. It's cool, but I can't hardly read it. I'm not sure what the smell is but it's BAD! Hoping it airs out as its supposed to be a Christmas gift but the smell is awful.

A compelling guide to the cultural phenomenon of Pokemon Go. This book conveys the diversity and global aspect of PoGo, and through the author's intricate descriptions it made me feel like I was experiencing unique international sites in person. 4/5 stars because though I thoroughly enjoyed this book, it wasn't as good as the author's previous work (Escape the Game).

Great book. Tons of fun facts and unexpected locations. The perfect Christmas gift!

Great Way to tour the world - just remember to look up!

Perfect holiday gift- so glad I found this!
