Customer Reviews

Fox encounters numerous snags in his attempts at gainful employment; PW enjoyed the "zingy and sly" drawings of this "fast-paced and funny Easy-to-Read." Ages 4-8. Copyright 1990 Reed Business Information, Inc. --This text refers to the School & Library Binding edition.

Grade 1-3 Marshall's Fox is at it again in his sixth book this time wrecking his bike while showing off. Reality sets in when Fox' mother refuses to buy him a new one. With the stage set, beginning readers settle in to enjoy Fox' humorous misadventures as he tries to earn money for a new bike. This book is populated with Marshall's typically amusing animal characters. The watercolor illustrations aid readers in understanding Fox' business attempts selling "little" shoes to a kangaroo with enormous feet, being afraid of a dark haunted house where he sells tickets, and delivering mice instead of pizza. What does Fox do best? He makes reading fun and makes money while sleeping!

This is a hilarious story about Fox's experience at various jobs. His mother insists that he get a job to pay for a new bike since [money doesn't grow on trees]. This early chapter book details Fox's job at the shoe store & amusement park--to name a few. Let's just say he has a hard time keeping a job! My son and I laughed throughout this story. The humor made this read enjoyable for my reluctant reader. May I also suggest 'three up a tree' & 'four by the shore' by the same author. These books are all hilariously good reads!

Great book for a 1st-2nd grader!

Students really enjoyed the book.

Bought the whole set when one of my 2nd graders fell in love with them. We were so sad to look up the author to find he had died years ago. We wanted to write and thank him for these books!

I remember loving the "fox books" when I was younger and now my 5- and 3-year olds love them too. They're clever and cute and easy-to-read, with silliness that my kids can pick up on. Plus my 5 year-old can sound out most of the words. Definitely worth picking up.

My son loves Fox books! This isn't one of his favorites, but I think the quality is on par with the other books. A good buy.

love it

Another fox-related gift for a grandson who loves foxes. He read the book very fast and liked it a lot.
