Satan's Deadly Trio: Defeating The Deceptions Of Jezebel, Religion And Witchcraft

Synopsis

You're on your guard for the Jezebel spirit. But did you know that it doesn't work alone? Just as the holy Trinity works together to deliver, redeem and then guide us day by day, an unholy trinity is doing everything possible to put us in bondage, strip us of our God-given identity and derail our Kingdom purpose. Satan's abominable threesome--the spirits of Jezebel, religion and witchcraft--is coordinating its attack. Are you? Veteran spiritual warrior Jennifer LeClaire pulls back the curtain on the calculated and systematic strategies of the enemy while offering practical biblical tactics to combat this deadly trio. Her Spirit-anointed discernment will help you understand the hidden schemes of these spirits and, with God's help, to resist them. Here is the plan of attack that will allow you to take back your Kingdom purpose, claim freedom from Satan's deadly trio and live in victory. "Few people connect the dots between these three with the insight Jennifer LeClaire offers in this book. She equips mature believers to combat and overcome darkness through the power of God."--Marcus Yoars, former editor, Charisma magazine "Jennifer clearly exposes the root of pride, self-righteousness and legalism that desires to manipulate and control. The candor and directness by which she unpacks the message in this book is commendable."--Doug Stringer, Turning Point Ministries International; Somebody Cares International "I could hear the bells of freedom ringing as I read every page."--Ron Phillips, senior pastor, Abba's House; author; television and radio host

As a pastor's kid and intercessor, I know spiritual warfare is real. Jennifer shares personal experiences and Biblical principles to help Christians overcome the enemy. A famous warrior said that a person needs to know themselves and their opposition. As believers in Jesus as Savior, knowing Abba is our Heavenly Father and Holy Spirit helps us overcome, we can be victorious. God (the great I AM) dropped 3 "I's in my spirit a few years ago. We as His children (I John 3:1) need to remember the Garden of Eden. Adam and Eve had (1) Intimacy with God, they (2) knew their Identity and (3) they had an inheritance. When we get rid of the orphan spirit and KNOW God is with us and for us, we can overcome the deceit of the enemy. Eve's issue was, she believed the deceiver and doubted God's goodness and warnings. We need to see, the enemy still uses dark ways to attack the children of God, the Bride of Christ, the overcomers. C.S. Lewis wrote a book

called The Screwtape Letters that also showed how the enemy works. He noted we need a balance, we are not to completely focus on evil nor ignore the enemy. In Ephesians 6 we read we are to put on the armor of God. Yes, armor means we are in a spiritual battle. Go forth, and win. With God and His Word, all things are possible.

This is a step by step guide to rid ourselves of control, intimidation and manipulation. I highly recommend this book. It is an easy read, but very rich in information for living a pure life in Christ.

This book will certainly remain in my "top 10 best book ever read." I have one negative statement...so let me get it out of the way: This book needs further editing. Jennifer's writing style is a bit "scattered," and she repeats herself a lot. I prefer to read more succinct teaching. However, my struggle was worth it...The truths in this book are powerful. My goal was to get help in dealing with a family member who is "difficult." The book shines a light on the behaviors and interactions of the satanic trio--Jezebel, religious spirit, and witchcraft. After completing the book, I feel very enlightened and encouraged about how to help the family member, and I've learned ways to guard my own heart against the evil trio. Near the end of the book, Jennifer devotes a chapter to "forgiveness," revealing its power as a weapon of warfare. And at the very end, she insists that her book is not the latest, greatest teaching on the subject. She explains that discerning the identity of the "strongman" is absolutely necessary. This discernment comes from the Holy Spirit and never from our intellect. In other words, "Don't fight until God reveals the name of the enemy."

This book was a powerful, scriptural, understandable read on Warfare against this ungodly trio. All Christians should read this book so they can walk more fully in the light of Christ and not fall into the traps of Satan or our flesh.

This was a very interesting book..i have never heard of the spirits of Witchcraft and Jezebel working with the spirit of Religion so closely, but i guess it makes sense. It really is one of those books you have to read for yourself to decide but if warfare is a subject that interests you and learn to discern more then it may be helpful. I wondered at time if she read too much into things but im not sure..think i need to read it again.

Eye opening and a must read for those in ministry or serving in a church.

Right on target.

Jennifer teaches in a very readable way about the root of pride, selfishness and legalism. She exposes the strategies of the enemy, Satan, and offers practical advice on how to combat these strategies. This book helps you to realize how Satan attempts to rob you of your God given purpose in life and gives you strategies to help you live in victory.
