Clawhammer Banjo Primer Book For Beginners With DVD

Synopsis

The Clawhammer Banjo Primer Book for Beginners with DVD by Brad Laird will teach you everything you need to know about playing clawhammer banjo. Clawhammer or "frailing" is an old-time Appalachian banjo style which predates the more common 3-finger Scruggs style. Experienced bluegrass players and beginners alike will enjoy learning the essential elements of playing the 5-string banjo in this interesting style. This course will teach you basic concepts like reading tab, the G tuning, basic strums, hammer ons, pull offs, and other essential techniques. Brad will also teach you how to play Cripple Creek, Cumberland Gap, and Old Joe Clark and many other songs. All songs and exercises are played on the DVD.

Customer Reviews

Hilarious, educational, and the dvd helps show you what to do. Excellent product. I spent months trying to learn on YouTube, (this is the first instrument I've ever played). The primer teaches truly new beginners the essentials of clawhammer banjo. I received this book a month ago and I've already begun fretting!
