# Trucks, Tractors & Cars Coloring Book

## Synopsis

A coloring book about trucks, tractors and cars can help a child develop creativity with an object that they are already familiar with. Children see these vehicles on television, in their toys and on the road as they ride along with their family. Such a coloring book can help a child increase his or her vocabulary as well as increase their memory capacity and their visualization skills.

We continually update our products, ensuring accuracy of information, making sure they are fun and entertaining. Our products are always available in whatever format our readers need.

Good book for toddler to color. Not too detailed but has a variety of trucks and cars.

I picked this up because I was trying to find a decent picture of a tractor to for wood carving. The picture I found worked. Then I got a surprise visit from the great-grands. 5 and 2. They truly enjoyed it.

Great for 4yo grandson.

Lots of fun in this book
