Grandson loves firetrucks so this was a hit.

My 6-year-old LOVES this book! We looked for it every time we went to the library for the last 2 years, and now he has his own copy to keep it home.

The best book series I've found.

We love Kate's books. This one is a must. Love the sounds the engine makes. Plus it names nearly 2 dozen tools fire fighters use.

My grandson loved the "I Stink!" book so much I knew he'd like "I'm Brave" just as much. I was right. It gives me great pleasure to encourage his love of books.

My grandson loved this book and also "I stink" by the same author

Not our favorite of the series. We love I'm Dirty! the best, followed by I Stink!

Cute, fast paced book. My son learned a lot about fire trucks and accessories. It has really cute graphics and I like this one better than "I'm Dirty"
