Age Range: 3 - 7 years

Grade Level: Preschool - 2

Customer Reviews

Our daughter loves this coloring book, it's huge! I love how big it is because I don't have to worry about her coloring off the page. She enjoys coloring the pages with her crayons and making sticker pictures on the pages with her bubble guppie stickers. Great coloring book for any Bubble Guppies lover! Great selection of drawings to color. Images are large with thick black lines, which makes coloring easier for her (she's 19 months old). I recommend this coloring book for any Bubble Guppies fan!

My little one loves all things bubble guppies these days. Book is great size and large pictures that she thoroughly enjoys.

My granddaughter is 20 months old ... Bubble Guppies is her favorite. She not only like coloring in this ... but, she walked around the house carrying it by the handle. ha ha ha So, cute! :-)

Heavy paper, great quality

My 20mo granddaughter loves Bubble Guppies and she loved the big pictures and has had a lot of fun coloring them.

Nice paper, easy sheets for a young one to color or scribble on.

My 16 month old son loves Bubble Guppies and this coloring book makes him smile everytime we bring it out. It comes with 50 bright colored stickers that he loves. The outlines of the pictures are thick so as he gets older it will be a good book to train him to color in the lines. He likes to carry it around the house and its handle makes it easy for him to carry anywhere. I would recommend this product for any child!

Bought this for my 3 year old grandson. He is just learning to color but he loves the Bubble Guppies. Sure to be a hit at his birthday party.
