Le Pendentif: Past Tense (French Stories For Beginners)

Synopsis

A man discovers a pendant on the beach. He starts looking for its owner... This collection of short stories is perfect for beginners: you'll be able to enjoy a whole story in French, grow your vocabulary in a natural way, and improve your comprehension whilst learning the correct pronunciation. The story is narrated by the author with special emphasis on early text comprehension practice and pronunciation. To maximize study effects, we recommend listening to this audiobook together with a paperback or eBook edition of *Le Pendentif: Past Tense (French Stories for Beginners)*, which contains useful French-English glossaries and a large French-English dictionary at the end of the book. In this book you will find: Enjoyable and carefully written stories : you can accelerate your understanding whilst learning a wide range of new vocabulary and rapidly improving your French comprehension; Simplified sentence structures and a very basic vocabulary, using straightforward grammar, so that even novice learners can appreciate and understand the intricacies of coherent French speech; A realistic amount of new vocabulary, with a special emphasis on short sentences, natural dialogs and high frequency words and expressions so that you can learn new grammatical structures with ease. For students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference).

Customer Reviews

I really like the concept of this book. You read a short paragraph, then it gives you the meaning of most words below you might not have previously encountered, but not all, so you do have to have a dictionary handy. The story is ok, and I like the fact that one of the characters is struggling with

speaking French and makes common mistakes, and the other character is fluent. The story takes you to France and you learn the names of some cities which is helpful in other areas. It has a small glossary, and room for notes in the back, but I usually have a pad or notebook every time I read to record verbs, and phrases I later want to remember or practice. It's a good book for an highschool or beginning college student or someone who is studying on their own. Some basic knowledge of French is required. At times the imperfect and passÃ© composÃ© are included. There's suppose to be an MP3 with it, but I'm not sure how that works.(technology challenged!) I bought the next one, that takes place in past tense.

I enjoy reading this book. It is easy to read and the stories are well written.

Lovely and very pleasant read with elements of fantasy and style. Not just some simplified book for beginner-language-learners, but truly enjoyable stories that will make one feel like a real French speaker!

I read this book in my french 2 class this year, and it was easy to follow along.

I love this book. It's very helpful and easy to read. I wish this author had many more books in this series.
