Customer Reviews

Very happy, Sue Chastain does fantastic work! One can learn a great deal from Sue! ** I forgot to mention, I have this coloring book in the larger version as well! ~Roz Fruchtman aka @RozSpirations

I adore all of Sue's books, but the black backgrounds are amazing! This smaller size is also perfect for making your own homemade greeting cards or when you want to color on the go.

Lights Out Portable Edition is a fun, light hearted coloring book. When I don't really feel like spending days on a single page, a page from this book does the trick. Single sided, flip up so my left handedness doesn't get in the way and easy enough to take along.
