Customer Reviews

Inspired by our rich artistic heritage, Hallmark's coloring blotter features the original works of our talented Hallmark artists, meant to inspire creativity and release the stresses of the day.

As expected, Some of the months images are pretty basic and bare but the majority of them are pretty neat.

Very flimsy, not worth the cost especially with shipping. Doubt that markers won't bleed through. I intended it for my classroom desk (teaching high school science). I imagine that this will fall apart after a couple of months.

The images are great, and the size is awesome BUT, there are no corner protectors, the pages are really thin, and there's no heavy cardboard backing...which makes it impractical for actual use in my classroom.

I've already started coloring and I love this calendar. I hope I'll continue to have time to color each month! It's relaxing and efficient!
