Seriously...How can you go wrong with a Beth Moore Study?? You can't! Entrusted is Ms Moore's latest Bible Study. It covers 2 Timothy and is really well done. You get a much more 'updated' sharing of the things that Ms Moore has been through, which she has alluded to in the past but hasn't gone into a lot of detail. This study is not as long as her other ones... 6 weeks of study with an intro and a conclusion...but then again, the book of 2 Timothy is smaller, too. As I would with any of her Bible studies: I would HIGHLY recommend it!

Wonderful Beth Moore study of Paul AND Timothy. The audio set gives you everything the DVD's have (in terms of the lesson), except the pictures, but for 1/4 the price. It's a FABULOUS alternative to the DVD's for smaller groups, or individuals looking to really dive deeply into the bible as Beth forces you to do!

Love love love Beth's teaching style, although I did find cheaper price a few days later

Most of the CD was fine. There was one place where she could not be understood. Scrambled.

Great!

Excellent CD's. very nice set
