Author/Illustrator, Anthony Curcio has a B.A. in Social Sciences from Washington State University and is an educational consultant and speaker. Anthony lives in Seattle with his wife and two daughters.

Very detailed with several pictures of each gymnast.

We bought this book for our eight year old granddaughter who is very much into gymnastics. The coloring pages are very simple with no background illustrations which makes it simplistic and somewhat uninteresting. Each page will have a gymnast in a pose, but with nothing around them. There are two of each page, allowing two friends to color simultaneously. As a stand-alone coloring book, it's somewhat boring. A few other details in the pictures would be welcome.

Awesome

I've enjoyed this authors other books and this one is another hit. Kids love it!

Great throw back memories from the Olympics. And my daughter loves it too, excellent book! RIO 2016 Gymnastics "Final Five" Coloring Book for Kids: Simone Biles, Gabby Douglas, Laurie Hernandez, Aly Raisman, Madison Kocian

A great coloring book for young girls full of positive role models! Both of my girls loved watching the games on television this year and enjoyed this book.

These coloring books are perfect for any little boy or girl who idolizes the Final Five or who simply love gymnastics. It's so fun to color your heroes :)

This book was a great deal! Only \$8.99 for hours of creative fun for any gymnastics fan.
