Customer Reviews

The American Medical Association (AMA) is the premier national organization dedicated to shaping a healthier future for America by empowering the nation's physicians to provide safer, more efficient and higher quality care for patients and communities. For more than 50 years the AMA has used its knowledge and resources to author and publish books, data files and online resources that answer the needs of today's busy physicians and their staff. The AMA line includes titles on CPT(R), HCPCS and ICD-10 coding; reimbursement; practice management; impairment; and HIPAA, electronic health records and Meaningful Use.
