Synopsis

The new edition has been updated with new cases, materials and problems. The shorter, revised book continues the interdisciplinary emphasis and comprehensive coverage of representation of children, child abuse and neglect, foster care, and delinquency. This textbook is awesome. It has many cases for your review, court decisions, and notes. Is easy reading so you will read with comprehension. I highly recommend this textbook.

Good cases on juvenile law. Similar to other West Law Texts with many of the same cases contained in the other subject matter texts.
