Grade Level: Preschool - 3

Customer Reviews

My 4 year old is a LEGO fanatic. These LEGO city books are by far his favorite to read. They actually have a plot and lesson and are different than some of the other toddler books we have for him.

It was a gift and it was WELL received.

Another best buy for the Lego Firefighter. Young grandsons cannot put this one down. Easy reader for recent K graduate.

Bought for a fit. Nice book
